TenzaGrip™

A range of PE bags with a resealable strip which can be used many times.
Available in clear or with white write-on panels (three per bag).

Larger bags (75mm or longer) contain a standard Euroslot, in the centre above the gripper strip.

Smaller bags (below 75mm long) contain a 6 mm hole, in the centre above the gripper strip.

Printed with “recycle” and “greenpoint” logos.
